Tender Award Notice: Supply of Motorcycle Helmets

Reference: EYWA Project – Co-funded by the European Union

Issued by: Lulalab Foundation

Tender Title: Leasing of Scooter Bikes for Last Mile Delivery Work

Tender Reference: Leasing of 20 Scooter Bikes

Date of Notice: 16 October 2025

Lulalab Foundation is pleased to announce that, following a transparent evaluation process in accordance with the European Union's co-funding and procurement guidelines, the successful bidder for the above-mentioned tender is:

Aquarian Lifestyle Trading (Pty) Ltd t/a Vespa SA

The awarded provider met all mandatory compliance requirements and demonstrated value for money, and the ability to deliver within the specified timelines.

The contract period will commence on 16 October 2025 and run until the end of January 2026, it will cover the full supply of leased scooter bikes in line with the EYWA Project phased implementation schedule.

The appointed company will provide 20 Honda Ace/Elite 125cc scooter bikes (or equivalent), including comprehensive insurance, tracking, and support services for beneficiaries engaged in last mile delivery operations across Gauteng.

We thank all bidders for their interest and participation in this procurement process. For further inquiries, please contact:
