Tender Award Notice: Supply of Data Vouchers

Reference: EYWA Project – Co-funded by the European Union

Issued by: Lulalab Foundation

Tender Title: RFQ Mobile Data Vouchers

Tender Reference: Supply of 60 Data Vouchers

Date of Notice: 21 October 2025

Lulalab Foundation is pleased to announce that, following a transparent evaluation process in accordance with the European Union's co-funding and procurement guidelines, the successful bidder for the above-mentioned tender is:

Vodacom Key West

The awarded provider met all mandatory compliance requirements and demonstrated value for money, and the ability to deliver within the specified timelines.

The contract period will commence on 21 October 2025 and run until the end of January 2026; it will cover the full supply of Data Vouchers in line with the EYWA Project phased implementation schedule.

The company appointed will provide 60 Data Vouchers, to 20 individuals over a 3 month period.

We thank all bidders for their interest and participation in this procurement process. For further inquiries, please contact:
