## **Tender Award Notice: Supply of Fuel Vouchers**

**Reference:** EYWA Project – Co-funded by the European Union

**Issued by:** Lulalab Foundation

**Tender Title:** RFQ – Supply of Fuel Vouchers

**Tender Reference:** EYWA Project – Petrol Voucher Supply

**Date of Notice:** 21 October 2025

Lulalab Foundation is pleased to announce that, following a transparent evaluation process conducted in accordance with the European Union's co-funding and procurement guidelines, the successful bidder for the above-mentioned tender is:

### **Shell Wynberg**

The awarded provider met all mandatory compliance requirements, demonstrated value for money, and showed the technical and logistical capacity to deliver within the specified timelines and budget.

The provider also demonstrated a clear understanding of the EYWA Project objectives, and the operational requirements associated with supplying petrol vouchers for delivery rider beneficiaries.

The contract period will commence on 21 October 2025 and run until the end of January 2026. It will cover the full supply and distribution of 60 petrol vouchers, for the 20 EYWA Project beneficiaries (3 vouchers per beneficiary), in line with the EYWA Project's phased implementation schedule.

Lulalab Foundation thanks all participating suppliers for their interest, effort, and submissions in this procurement process.
